

Mrs. Elliott

Hello!

My name is Mrs. Elliott and I am excited to inform you that I will be your first grade teacher. I have been waiting all summer to come back to the classroom to teach you! You are going to learn so much. First grade is going to be challenging, but FUN... I can't wait for us to start!

My family and I at a Twins game last fall.

A little bit about me...

This year will be my eleventh year at Lucy Laney Elementary. I graduated from the St. Cloud State University in 2002 with my Elementary license. I have a husband and two daughters. In my spare time, I love to be with my family, friends, be outdoors, watch movies, and read!
