

# Ms. Dinneen

## Hello!

My name is Ms. Dinneen and I am a special education teacher. I have been at Lucy Laney since 2013. I am so excited to work with all first grade students this year! My hope for this year is to get to know each student as an individual and have fun while learning and exploring the world around us.

## A little bit about me...

I received my Bachelor's degree from St. Mary's University in 2007 and my Master's degree from the University of Minnesota, Twin Cities in 2016. I was born and raised in St. Paul and I have two younger brothers. I also have a cat named Sparky.
