

Ms. Kuennen

Hello!

My name is Ms. Kuennen and I am excited that I will be your first grade teacher. I have spent the summer reading and resting and traveling and thinking about this school year. I already know this will be a year of amazing growth for all of us!

A little bit about me...

This year will be my tenth year at Lucy Craft Laney School. I grew up in Iowa and went to college there. Ever since I graduated, Minneapolis has been my home. I love being a teacher. Before I was a teacher, I was a paralegal, but I just missed being in school so much I had to

come back.
