Parent-Teacher Conferences...

February 15th and 16th parents can schedule times to meet teachers to discuss their child’s academic progress during this school year. This is also an opportunity for parents to ask teachers question and address any concerns

Afterschool programming...

A new session of the Extended Learning Program and Beacons is beginning February 6th. Students will receive a notification by February 3rd if they have a spot in the program. There is a waiting list, so if they don't have a spot they will automatically be placed on the waiting list.
