Parent Involvement...

is highly encouraged here at Lucy Laney. Parents may visit, volunteer, and even consider becoming a part of our schools Parent Group Meetings. We have lots of different opportunities for our parents to become a more active part of your child's school community.

If you are interested in joining the Laney Parent group Meetings or would like more info about being a more active parent, please contact Ms. Combs at 612-668-2168 or Jalonda.combs@mpls.k12.mn.us

Next Parent Group Meeting:**Tuesday January 16th****8:45-9:30 am****Testing UPDATES...**

The students will be taking the Fast Tests this month.

Please feel free to contact Ms. Hodges at anytime with testing questions, concerns, or insights. sarah.hodges@mpls.k12.mn.us 612-668-2200

Remember, The FAST Test is an adaptive reading and math computer test aligned with Common Core Standards and has progress monitoring features. The FAST Test has a high predictability rate to the MCA's and is much shorter than standardized tests we've taken in the past. This means there will be less classroom time lost to testing and new quick methods for progress monitoring.

provides educational support and connection to resources for families with children birth to 3rd grade.
