### Family Engagement...

is highly encouraged here at Lucy Laney. Parents may visit, volunteer, and even consider becoming a part of our schools Parent Group Meetings. We meet every first Tuesday of the month. We have lots of different opportunities for our parents to become a more active part of your child's school community. Please contact Ms. Combs for more information

### Testing Updates...

Three times a year, each student at Lucy Laney is given a screening assessment to determine his/her reading and math performance. This year, the students in Minneapolis Public Schools take the Formative Assessment System for Teachers (FAST) assessments. The FAST assessments help to determine each child's instructional level and allow us to measure academic growth in the areas of math and reading. Spring testing is approaching quickly! The MCA window opens in early March.

Please ask your child's teacher for more information on FAST and MCA Testing.

Please contact Ms. Hodges with specific testing questions.
