### Week 32!

This week we met our last letter of the alphabet, letter K k! We learned how to write it, the sound it makes, and words that start with it. At home, help me review all of the letters in the alphabet and the sounds they make!

This week we also worked on alliteration, writing our whole name, taking numbers apart and putting them together, and participating in all parts of the school day. We are still enjoying our Growing and Changing theme; ask me new words I've learned or the books we've read related to this theme!
