A letter from your principal...

I will be the Lucy Craft Laney principal for the 2019-2020 school year. As many of you already know, our community elementary school is a special place, full of love, grit, and a deep commitment to greatness in all that we do. It has been my joy and honor to be at Laney for the past 12 years, since 2007. In that time, I served in the role of school social worker, assistant principal, and now principal. I have also had the privilege of being a parent and watching my own two daughters attend, and thrive, at Laney from Hi-5 through 5th grades. They are now in 7th and 8th grades, and attend our pathway school, Franklin Middle. Lucy Laney is home to the absolute finest teachers in

all of Minnesota and beyond. It is truly a beautiful part of the North Minneapolis community, and I am so excited that you have entrusted your babies into our care as they embark upon their educational journey. My office doors are always open, and to anyone who is new to Laney let me say, on behalf of myself and all our wonderful staff, Welcome to the Laney Family! Together we will make this another great year.

Love, Lisa Pawelak

Hello from your assistant principal...

My name is Anne Wagemaker and for the past four years I have been lucky enough to work at Laney as a teacher and content lead. Before working at Laney, I taught and coached teachers in the Chicago Public Schools for eight years. This year, I have transitioned into the role of Assistant Principal and look forward to working with you to help your students learn and grow as much as possible this year! In my free time I love to read, run, and spend time with my family and friends. Please reach out if you have any questions, comments, concerns, or just to say hi! It's going to be a great year!
